

Principal's Message

Happy spring time! It feels like the nicest weather of the year might soon be upon us. I so look forward to the next couple of months when the sun is out and everything is in bloom. It makes me feel like life is new, and that together we can accomplish anything. There is an enthusiasm for life that can't be equaled.

Please review the link found in this newsletter that refers to dress code. As spring takes off, we intend to make a big push to help students stay in uniform. Please do all you can to help us help the students to stay in dress code. Some families might get a call to bring additional clothes if their student does not have the ability to change on their own. It is important

Vista Parents, Thank you for being a wonderful support to our school! Vista would like to continue to improve positive relations with our community. We want to provide tours to targeted community groups (ie: realtor groups, local principals, local media, city governments, business owners, advertising companies, etc), therefore we'd like to know if you are connected to any such groups. We'd like your assistance in bringing community groups to our school and touring our building during school hours. We also want to advertise through local venues and are looking for sponsors.
