

Media Consent & Release Form

Throughout the school year, students at Vista may be highlighted in efforts to promote Vista School activities, programs, and achievements. Media may be in the form of a public newspaper, radio, television, video, Vista's school website, Vista's social sites (Facebook, Instagram, & Twitter), blogs, teacher UEN pages, Google Classroom, and in our school yearbook.

I, as the parent or guardian of a Vista student hereby give Vista School and its employees, representatives, and authorized media organizations permission to print, photograph, and/or record my child for use in audio, video, film, or any other electronic, digital, and printed media. I am also fully aware and agree that these materials will become the property of Vista School and that I will not receive monetary compensation for my child's participation. I further release and relieve Vista School, its Board of Trustees, employees, and other representatives from any liabilities, known or unknown, arising out of the use of this material.

I understand that all Vista performances, recitals, and programs are recorded and may be available for parents/guardians to purchase or download, and that my student may appear in these recordings.

Please indicate that you have read this Media Consent and Release Statement and whether you agree to its terms and conditions.

*If you do not wish for your child to be published in any school-related media, please stop by the office to fill out a restriction form.
