Principal's Message

Parents and students,

I want to congratulate all the members of Vista's First Lego League Robotics team. These students have been preparing, practicing and competing after school for months and have qualified for the State Finalstomorrow at DSU. We are so proud of you!

I also wanted to try to help all of you feel at ease with all the school violence that we are seeing on the news. Without going into specifics, Vista has taken and continues to take major precautions to ensure student safety. We engage in multiple training activities each year around Vista and do all that we can to keep your children safe. While no plan is perfect, please know that we are working behind the scenes to make our plan as complete as possible.

Sam Gibbs
Principal
