**Principal's Message**

I want to congratulate our Kindergarteners on a fantastic year. I am so proud of each of them. They did such a good job this year and learned so much. Things really are drawing to a close, with 8th grade Recognition Night next Wednesday and Commencement the week after. I encourage each of you to start making plans for the summer and include a reading goal and a math goal. It is amazing what a little extra time over the summer can do.

Sam Gibbs  
Principal/Director
