Principal's Message

Congrats to all of our 1st, 2nd, 3rd grade students for the fantastic performances. We are so proud of you.

Next week Vista begins taking the new state test, the RISE. How we do on this test does make a difference for our school and our community. Please be sure that you eat a good breakfast, get a good night's sleep and come to school on time. Let's show the world what a great education we are receiving by performing our very best.

It was great to see parents, teachers, and students work together to remedy the situation. We even learned a few things from the experience.
