

Election Seat:

Seat #5 - Parent Only

Name:

Joshua Aikens

Skills and Talents:

Served on the Vista board for the past 4 years. Founding member of the board that has organized CodeCamp for the past 12 years. Greatest strength is my network and connections in the local tech community. Coached soccer for 16 years.

Community Experience:

Chief of Staff at Zonos, at fast growing Software as a Service (SaaS) company headquartered in St. George. Founding organizer of the Dixie Techs, now called the Silicon Slopes St. George Chapter. Current member of the Vista board. I volunteer my time to many organizations and causes like Switchpoint and Make-a-Wish Utah.

Why am I interested in serving on Vista Schools board?

It has been an honor and a privilege to server for the past 4 years as a member of the Vista Charger School board and I'd like to continue for 2 more years while my son finishing his time at the school.

Areas of Expertise and Contributions:

I bring a wealth of connections in the tech space in St. Geroge. I have close friends and contacts at DSU, DixieTech College, SUU, and technology companies in the area. I am also very involved in the development of People, Culture, and HR in my professional life and bring those skills the Vista board.

Current Board Member for Vista School

Joshua Aikens is the Chief of Staff at Zonos, a leading provider of cross-border eCommerce technologies. Josh has called St. George home for 25 years and has four

suntanned barefoot children to prove it. As founding chair of the Dixie Technical Association, now Silicon Slopes St. George Chapter, Josh has been a fixture in the growing tech scene in St. George for over 12 years. Josh has placed a high priority upon building a pipeline of talent to feed the growing tech and entrepreneurship sectors in St. George and will be found volunteering his time to that end.
