CONGRATULATIONS! You have selected to apply to letter in THEATRE at Vista School. Follow the instructions carefully and continue to check in with your own personal progress as the school year progresses so as to not fall behind or end up with not enough points.

To letter in Theatre - a student must be an example of the highest academic standing, and must participate in many of the theatrical opportunities available that go above and beyond the regular coursework of any of the Theatre classes. A student must devote time, service, talent, work, and passion to the Theatre department. This can be done by auditioning for, performing in, and/or tech-ing for the many concerts and productions that take place throughout the year. As a student does so, points will be earned which are used to determine eligibility for the letter.

This worksheet will assist you in keeping track of the points you earn during the school year as you work to earn a Theatre Letter.

A minimum of 60 points must be earned to receive this honor.

Please, tally the points that you believe you have earned. Make sure to keep track of and list any eligible productions inside this packet, and then add your total points where instructed. Your points will be reviewed by Mr. Thomas and he will then submit this packet to Administration for final approval.

Thank you for applying and best of luck as you apply yourself to this rigorous but rewarding program.
