Congratulations to all who are on the VRS List for the 2022 - 2023 school year!

For those of you who are not on this list - do not be too discouraged... please check the company lists for Vocal Xpressions and MDT Showcase. Please keep in mind that Xpressions and Showcase will be quite different than previous years. For example, these companies will be receiving choreography and dance technique training from Mrs. Shellie and performance/acting training from Mr. Thomas as well. Work hard, apply yourself, and do your best so that we can continue to achieve excellence with all three of our MDT Companies for each subsequent school year.
